THE WAY IN WHICH THE REPORT MUST BE MADE:

(a) Three copies of the report must be made and submitted to the following:

- The Director-General: Department of Transport;
- In a case of a port, report must be submitted to the port manager;
- In a case of port facility, the report must be submitted to the port facility manager and the Port Security Officer.

(b) The report must be encrypted before it can be send via e-mail. When using the post, the sender should take security measures as prescribed in the Minimum Information Security Standards (MISS).
