SUMMARY

This Marine Notice provides an updated lists of external SAMSA examiners appointed under the Merchant Shipping (National Small Vessel Safety) Regulations, 2007 for Authorised Agencies, examiners under the direct control of a SAMSA Principal Officer, as well as accredited small vessel training institutions and their appointed examiners.

- 1 In accordance with SAMSA's policy on small vessel skipper qualifications, as detailed in Marine Notice 13 (as amended from time to time), SAMSA requires training institutions, whether schools or Authorised Agencies, to be accredited if they desire to be part of the national small vessel examination regime and all examiners are required to be appointed regardless of their affiliation.
- 2 Accordingly, SAMSA publishes the following list which includes:
 1. Authorised Agency appointed examiners authorised to carry out examinations under the National Small Vessel Regime.
 2. Appointed examiners who report directly to the local SAMSA Principal Officer who are authorised to carry out examinations under the National Small Vessel Regime.
 3. Accredited Small Vessel Skipper Training Institutions and their appointed examiners authorised to carry out examinations under the National Small Vessel Regime.

The list can be found at the following link: [List of Examiners under the National Small Vessel Regime](#)

- 3 Training Institutions or Examiners who may have been inadvertently omitted from the attached list must send their accreditation or appointment information to the Boating Manager via email to djames@samsa.org.za in the tabular format provided.
