POOR PERFORMANCE PENALTIES

SAMSA is committed to service excellence, transparency, and value for money. We therefore conduct regular evaluations of catering services. To ensure a fair and transparent evaluation of catering service providers, the performance assessment process must include feedback from service recipients. A minimum of 3 recipients of the catering service will be required to complete a supplier evaluation form.

This process ensures that suppliers deliver services in accordance with agreed specifications and contractual obligations. The evaluation tool is used to monitor and assess the quality, delivery timelines, presentation, professionalism and adherence to the specification of catering services rendered. It also provides suppliers with constructive feedback.

In the event of poor performance, SAMSA reserves the right to impose penalties of up to 15% of the total contract value. Specific penalties will be levied per incident as outlined in the catering supplier evaluation form. Persistent non-performance may result in SAMSA excluding your RFQ responses from being evaluated.

Service providers are encouraged to sign the completed evaluation forms as a means of acknowledging the performance ratings received on the day of service delivery. This serves as a record of transparency and mutual understanding.

Please note that the absence of a signature from the service provider will not render the evaluation form invalid.

Service providers are welcome to request copies or take photographs of the completed evaluation forms for their own records. However, this process must be conducted in a manner and at a time that does not disrupt SAMSA's operations and should take place at the convenience of SAMSA.
